**There are many ways you can help defeat the Concrete plant that would endanger the health and safety of our families, reduce homeowner property values, harm our rivers and wetlands, and otherwise negatively impact our quality of life in the Eden Park, Garden City and Auburn neighborhoods.**

**Please consider becoming a member of this Cranston Citizens organization, and participate in upcoming community activities to build a successful campaign against the Cranston concrete plant. Thank you.**

**Yes, I am willing to join the membership of the Cranston Citizens for Responsible Zoning & Development and help defeat the concrete plant.**

**I am willing to volunteer my time and talent in one or more of these activities:**

- Attending public hearings and/or rallies.
- Environmental protection projects such as River Clean-ups  
(See schedule of upcoming cleanups on website)
- Assisting with mailings
- Joining the CCRZD telephone tree and make calls to notify neighbors of important meeting dates
- Assisting with "Letters to the Editor" campaign and other publicity
- Distributing yard signs in key locations
- Canvassing door-to-door with project information
- Assisting with volunteer recruitment and fundraising
